Re: Application of Development Service, Incorporated ("DSI") for
Approval of Sewer Rates, Terms and Conditions
Docket No. 2014-406-S

Dear Ms. Boyd:

Development Service, Inc. requests additional time to file direct testimony and exhibits in the above referenced case. We would ask that the Commission extend all testimony filing deadlines by one week. Such a change would result in the DSI's Direct testimony being due March 31st, ORS/Intervenor Direct due April 14th, DSI Rebuttal April 21st and ORS/Intervenor Surrebuttal April 28th. The parties would request that the Commission maintain the current May 5th Hearing date. All parties believe that this extension of filing deadlines would assist in attempting to resolve remaining issues and aid in attempting to reach a settlement. DSI has discussed this request with counsel for ORS and the Intervenor and neither objects to the testimony date extensions.

Please contact me if you have any questions.

Sincerely,

Charles

Charles H. Cook
